7. GENERAL LIABILITY AND OTHER PROVISIONS

7.1 Where Carrier's liability arises from a cause which is only contributory, Carrier is only liable to the extent that those factors have contributed to the loss or damage.

7.2.1 Subject to any Carrier's Defenses, any agreed liability shall be calculated by reference to the value of the Goods as determined by any compulsory law applying or,

(ii) If any conflict exists between the Bill and such compulsory conditions the latter prevails to the extent of the conflict, but no further. (iii) The Bill applies to any silence or gaps or omissions in provisions in such compulsory conditions.

7.7 It is warranted/agreed that superficial rust, oxidization, condensation, or any mold or any like condition due to moisture is not a condition of damage but is inherent to the nature of particular Goods or transport conditions and any Carrier's or Service Provider's receipt of the Goods in apparent good order and condition is not a representation that such condition of Goods did not exist on receipt.
